PSAI SCHOLARSHIP FUND

Advancement through education is a concept the PSAI has long promoted. **We hope you will support this worthwhile investment.**

To fund the PSAI Scholarship Fund **we** need every PSAI member company's contribution over a five-year pledge period. The goal is to have \$250,000 pledged over a five-year period. This \$250,000 goal will allow us to do two things:

1. Award \$24,000 in scholarships each year with eight \$3,000 scholarships to graduating high school students and current undergraduate college students.
2. Fund an endowment with the excess contributions over \$24,000 each year to be used for future years to award additional scholarships after the initial five-year pledge period.

PSAI Scholarships are awarded to employees and their immediate family members of PSAI member and associate member companies worldwide. This is another member fringe benefit.

Please mail the attached pledge card to:
